

LEINOS 200

Thinner

Application: Thinner for all oily products and for cleaning tools. Also suitable as a stain remover.

Technical Characteristics: Colourless, mild. Low surface tension for good penetration and wetting.

Ingredients: Isoparaffins.

Package Sizes: 0,25 l / 1l / 2,5l / 10l

Processing: If necessary, only add the Thinner in portions and stir carefully. Remove stains from oily products immediately with a cloth soaked in Thinner. This will save you solvent: - Clean brushes etc. in a suitably sized bucket with a lid. - Allow pigments and paint residues to sink to the bottom. - Pour the excess clear Thinner into a second bucket and leave the pigment and colour residue in the first bucket. - Pigment and colour residues can be disposed of in accordance with the applicable regulations. - The poured-off Thinner can be used again and again. Simply top up with new Thinner from time to time. - Close the bucket tightly after use and place it in a safe place.

Consumption: Depending on the application.

Storage and Shelf Life: Almost unlimited stability. Store in a cool, dry and sealed place.

Special Notes: GISCODE: M-VM01 / EAK: 07 07 04

Hazard statements: Contains: Hydrocarbons, C10-C13, n-alkanes, iso-alkanes, cyclic, < 2% aromatics. May be fatal if swallowed and enters airways. Repeated exposure may cause skin dryness or cracking. Safety data sheet available on request.

GHS-08 / Danger

Precautionary statements: Keep out of reach of children. IF SWALLOWED: Call a POISON CENTER/doctor if you feel unwell. Do NOT induce vomiting. Avoid release to the environment. Dispose of contents/container to an appropriate recycling or disposal facility.
