

LEINOS 600

Wax Varnish

Application: For the coloured design of wooden ceiling and wall panelling, as well as wooden furniture parts in interior areas.

Technical Characteristics: Glazing, water vapour permeable, easy to apply water-based glaze. Fast drying and polishable.

Color: Wax Varnish is available both as a colourless version (can be tinted as desired with our pigment concentrates 668) and as a ready-to-use white glaze.

Ingredients: Water, carnauba wax, micro wax, methyl cellulose, soya lecithin, mineral pigments (except colourless), benzisothiazolinone.

Package Sizes: 750ml / 2,5l / 10l

Substrate and Preparation: The substrate must be dry, solid, clean, free of grease and dust. Pre-sand wooden surfaces with 100-180 grit in the direction of the fibres, depending on the type of wood and the desired penetration depth.

Processing: Stir carefully before use! Use a brush or paintbrush, sponge or cotton cloth. Room and surface temperature above 15 °C. For a coloured coating, the colourless wax glaze can be coloured up to 20% with LEINOS Pigment Concentrates. Depending on the quantity of pigments added and the number of coats, the strength of the colouring and the coverage can be increased.

Drying Time: Dried after 1-2 hours, completely dry after approx. 24 hours.

Consumption: Approx. 80-100 ml/m² depending on the absorbency of the wood.

Thinning and Cleaning Agents: Water and LEINOS Vegetable Soap 930.

Storage and Shelf Life: Stable for approx. 12 months when originally sealed. Store in a cool, dry and sealed place. Protect from frost!

Special Notes: Colour specifications and colour imprints are non-binding. Colour deviations are possible depending on the batch, substrate and printing technique. The dried original colour shade differs from the fresh colour shade in the container. A test coat with colour matching is therefore essential. Mix different batches of the same colour shade together. VOC content: 1 g/l, EU limit value: 30 g/l (cat. a). EAK: 08 01 20

Hazard statements: Contains 1,2-benzisothiazol-3(2H)-one. May produce an allergic reaction. Safety data sheet available on request.

Precautionary statements: Keep out of reach of children. Avoid release to the environment. Dispose of contents/container to an appropriate recycling or disposal facility. Hotline for allergy sufferers: +49 4163 / 867 47-0
