

LEINOS 911

Herbal Furniture Polish LF

Application: For quick and easy open-pore finishing and care of previously waxed or oiled interior surfaces. Not suitable for floors and hard-wearing surfaces!

Technical Characteristics: Quick and easy application. The natural oils penetrate deep into the wood. They keep it healthy and elastic and do not allow it to dry out. Good refresher for wood that has already been treated. No sanding required for re-treatment. No unpleasant odours. Resistant to saliva and perspiration in accordance with DIN 53160, migration behaviour tested in accordance with DIN EN 71, Part 3.

Color: Colourless.

Ingredients: Linseed oil, safflower oil, wood oil, ricin oil, beeswax, carnauba wax, silica, clay, drying agents.

Package Sizes: 0,25 l

Processing: Apply thinly to the furniture surfaces with a clean, soft cloth in the direction of the fibres or structure. Test the compatibility of furniture surfaces that have not been treated with LEINOS products on an inconspicuous area.

Consumption: Approx. 3-5 ml/m², depending on the surface.

Thinning and Cleaning Agents: Clean with LEINOS Thinner 200.

Storage and Shelf Life: Stable for at least 2 years when originally sealed. Store in a cool, dry and sealed place.

Special Notes: Work materials soaked in product with oil that is not completely dry should be stored in an airtight metal container/water and then disposed of, otherwise there is a risk of spontaneous combustion due to the vegetable oil content. The natural raw materials used may give off a typical odour. Wear approved respiratory protection when using spraying equipment. Wear a fine dust mask when sanding! EAK: 08 01 11 / GISCODE: M-KH05

Hazard statements: Safety data sheet available on request.

Precautionary statements: Keep out of reach of children. Avoid release to the environment. Dispose of contents/container to an appropriate recycling or disposal facility.
