

LEINOS 920

Floor Milk

Application: For all oiled, waxed and varnished surfaces such as wood, cork and linoleum. For basic care and maintenance care after cleaning the surfaces with Vegetable Soap. Add Floor Milk to clean mopping water.

Technical Characteristics: Made from natural raw materials. Protects all oiled, waxed and varnished surfaces against dirt and mechanical abrasion. Gives a silky gloss surface after a short drying time, without polishing. The treated surfaces are refreshed, open to diffusion and dirt-repellent. Regular maintenance gives the treated surface an elegant patina.

Ingredients: Water, carnauba wax, bergamot oil, lavender oil, vegetable emulsifier.

Package Sizes: 1l / 2,5l / 10l

Processing: Shake carefully before use! Basic care of newly treated floors should be carried out after 4 weeks at the earliest (after cleaning with LEINOS Vegetable Soap 930). Approx. 10 - 30 ml Floor Milk to 10 litres of lukewarm water.

Consumption: Depending on the application.

Storage and Shelf Life: Store in a cool but frost-free place. Close the bottle tightly after use.

Special Notes: EAK: 07 06 01

Hazard statements: Contains bergamot oil. May produce an allergic reaction. Safety data sheet available on request.

Precautionary statements: Keep out of reach of children. IF SWALLOWED: Call a POISON CENTER/doctor if you feel unwell. Do NOT induce vomiting. Avoid release to the environment. Dispose of contents/container to an appropriate recycling or disposal facility. Hotline for allergy sufferers: +49 4163 / 867 47-0
