## Masking Shellac

**Application:** For professional applicators. For sealing substrates contaminated with harmful substances such as PCB, PCP/Lindane or DDT. For indoor use only. Suitable for contaminant masking on wood, wood-based materials, glass fibre wallpaper, plaster and concrete. Not suitable for floors, stairs, damp areas and outdoor areas.

**Color:** Honey coloured.

**Ingredients:** Shellac, ethanol (fermentation alcohol) and larch resin.

**Package Sizes:** 1l / 2,5l / 10l / 30l

**Substrate and Preparation:** The substrate must be dry (wood moisture content below 15 %), solid, clean and free of grease and dust. Remove any existing layers of wax. Remove or mask rubber seals and silicones. Stir the masking well. Carry out a test coat.

**Processing:** By brush application, rolling with Moltopren foam roller or spraying with aircoat system. Do not apply in direct sunlight or when exposed to other heat sources. Two coats required. Carry out a test coat. This product may only be used by trained applicators.

**Drying Time:** At 23 °C and 50 % relative humidity, each coat is dust-dry after one hour, recoatable after 24 hours, fully cured after 24-48 hours. Final hardness is achieved after 14 days.

**Consumption:** 8-11 m²/l per coat (undiluted), corresponding to 90-125 ml/m². Full effectiveness only with a minimum application quantity of 90 ml/m² with undiluted application per coat.

**Thinning and Cleaning Agents:** Clean immediately after work with Thinner No. 956.

**Storage and Shelf Life:** Store in a cool, dry and closed place. Shelf life 2 years if unopened.

**Special Notes:** VOC content: 540 g/l, EU limit value: 700 g/l (cat. f). UN 1170 / EAK 08 01 11

**Hazard statements:** Highly flammable liquid and vapour. Contains: Larch turpentine. May cause allergic skin reaction. Toxic to aquatic life with long-lasting effects

GHS-02 / Danger

GHS-07 / Warning

GHS-09 / Danger

**Precautionary statements:** Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Keep container tightly closed. Wear protective gloves/protective clothing/eye protection/face protection. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation or rash occurs: Get medical advice/attention. Store in a well-ventilated place. Keep cool.
